Spotlight Award

In recognition of your contribution to AMD, we are pleased to present you with a Spotlight Award.

In recognition of: Ajaya Dahal

Award Message:

Ajaya is being recognized for winning the WTS_NA Field Recognition award. AJ was recognized by multiple teams in the field, all of them highlighting his "Above and Beyond" mentality when it comes to all aspects of his role – helping our customers, creating designs and collateral, and improving the embedded ethernet solutions. His customer communication also stands out as an example of excellence for PAEs. Thank you for your hard work and dedication!
